

We Wait For You

William Murphy

And we wait on You
Wait in Your presence
And we wait on You
And we wait on You
And we wait on You
And we wait in Your presence
Lord we wait on You
Somebody raise up your voice

And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence

And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence

And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence

And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence
And we wait on You
And we wait in Your presence

Hold my tears and hold my pain
In your presence
