

Worship Forever

William Murphy

King of glory
You're so worthy
Worthy of all
Our praise
So we lift our hearts
As we lift our lives
Just to see You lifted high

Be glorified
Be glorified
Be glorified

We will worship You
We will worship You
We will worship
Forever and ever
We will worship You
We will worship You
We will worship
Forever and ever

We will worship You
We will worship You
We will worship
Forever and ever
We will worship You
We will worship You
We will worship
Forever and ever

King of glory
You're so worthy
Worthy of all
Our praise
So we lift our hearts
As we lift our lives
Just to see You lifted high

Be glorified
Be glorified
Be glorified

We will worship You
We will worship You
We will worship
Forever and ever
We will worship You
We will worship You
We will worship
Forever and ever

We will worship You
We will worship You
We will worship
Forever and ever
We will worship You
We will worship You

We will worship
Forever and ever

We're gonna worship You
We're gonna worship

You are our God
You are our God
You are our God
We will worship You
We will worship You
Forever
