

Again

William Singe

I want you to be mine again, baby
I know this lifestyle is driving you crazy
But I cannot see myself without you
We call them fans though, girl you know how we do
I go out of my way to please you
I go out of my way to see you

Baby, can you understand I'm a young brother livin'
Coming from the trap, all a brother know is get it
Ain't chasin' that girl I'm talkin' bout them digits
Big bank rolls in my pockets, all fifties
Turned a little check, then I showed you I could triple it
Baby, you know that I only want you
I don't give a damn who cares get up on my face
She don't really care who stares, lookin' too good

To get you down on sight
I hope you know I need you, baby
I get up on my knees too, baby
Do anything to please you, baby
(Top down when we breeze through, baby)

I need you, baby, ain't afraid to admit it
Girl, I need you, baby, girl tell me if you with me

I want you to be mine again, baby
I know this lifestyle is driving you crazy
But I cannot see myself without you
We call them fans though, girl you know how we do
I go out of my way to please you
I go out of my way to see you

And I want you to be mine again, baby
I know it gets hard when its all love
Baby, I'll be lovin' you to say
I cannot see myself without you
We call them fans though, girl you know how we do
I go out of my way to please you
I go out of my way to see you
And I ain't playin' no games
Girl, I need you
I need you, I need you
And I want you to be mine again, baby
And I want you to be mine again, baby.
