

Controlla

William Singe

Everytime i want you i notice you taken
You got me tripping like i'm on vacation
Its not the right time though i'm waiting
Tell me if i'm wrong no you can't cause i don't give up
Know that you like it
Meetin me half the way not keepin' it 100
Tell you to run you runnin
Love when you run it back
No i can't take you down like a cop when you tell him no no no

I think I'd lie for you
I think I'd die for you
Jodeci "Cry For You"
Do things like you want me to
Like controlla, controlla
Like controlla, controlla

Ok you know i got it bad i do

Ain't got a jersey but you keep me runnin back for you
Just know i'm a man of my word
That's why you comin over
And i ain't gon stop girl better believe it
I could play it off but the truth of it is i need you
So let me get a feature
Baby take your time on it you ain't gotta lie
