

# Leave The Door Open

William Singe

What you doing? (What you doing?)  
Where you at? (Where you at?)  
Oh, you got plans? (You got plans)  
Don't say that (shut your trap)  
I'm sipping wine (sip, sip)  
In a robe (drip, drip)  
I look too good (look too good)  
To be alone (woo-ooh)

My house clean (house clean)  
My pool warm (pool warm)  
Just shaved (smooth like a newbocrn)  
We should be dancing, romancing  
In the east wing and the west wing  
Of this mansion, what's happening?

I ain't playing no games  
Every word that I say  
Is coming straight from my heart  
So if you want to you can  
Lay in these arms

(I'ma leave the door open)  
I'ma leave the door open, girl  
(I'ma leave the door open, hoping)  
That you feel the way I feel  
And you want me like I want you tonight, baby  
Tell me that you're coming through

I don't understand why you still stand it  
That's his character, that ain't bad habits  
I would never treat you like that, so  
When you pull up north again  
I'ma make you never wanna leave who you standing with

Shape up, I been getting my weight up  
I been grabbing your waist, tryna make you realize what you wasting  
Tell that fuck boy not to play with me  
Tried with you, now you lay with me  
Had to do what I had to do  
Been charged up, ain't no shading me

Girl, you know the hotel  
That I'm at, that you been  
Said you parking, where you at  
I been waiting, elevator  
To the lobby, there you stand  
Fuck your friends, you the one  
Fuck your man, I'm your man

I ain't no stand-in, I stand out  
Never needed no handout, worked hard for my bands now

Your man 'bout to be man down  
He ain't a fan now, nah, he ain't a...
