

# Never Forget You

William Singe

I used to be so happy  
But without you here I feel so low  
I watched you as you left but I can never seem to let you go  
'Cause once upon a time you were my everything  
It's clear to see that time hasn't changed a thing  
It's buried deep inside me but I feel there's something you should know

I'll never forget you  
You'll always be by my side  
From the day that I met you  
I knew that I would love you 'till the day I die  
And I will never want much more  
And in my heart I will always be sure  
I will never forget you  
And you will always be by my side 'till the day I die

I'mma never forget you  
Never forget you  
Never forget you  
'Til the day I die  
I'mma never forget you  
Never forget you  
Never forget you  
Yeah

Funny how we both end up here but everything seems alright, oh  
I wonder what will happen, if we went back and put up a fight, yeah-yeah  
'Cause once upon a time you were my everything  
It's clear to see that time hasn't changed a thing  
So what in this world do you think could ever take you off my mind

I will never forget you  
You'll always be by my side  
From the day that I met you  
I knew I would love you 'til the day I die  
'Til the day I die  
I'mma never forget you  
Never forget you  
Never forget you  
'Til the day I die  
I'mma never forget you  
Never forget you  
Never forget you  
'Til the day I die  
I'mma never forget you  
Never forget you  
Never forget you  
'Til the day I die...

Feeling it, loving it, everything that we do  
And all along, I knew I had something special with you  
But sometimes you just gotta know these things fall through  
I'm tired, can't hide
