

One Last Time

William Singe

I was a liar
I gave in to the fire
I know I should've fought it
At least I'm being honest
Feel like a failure
'Cause I know that I failed you
I should've done you better
'Cause you don't want a liar

And I know, and I know, and I know he gives you everything
But girl, I couldn't give it to you
And I know, and I know, and I know that you got everything (oh,
baby)
But I got nothing here without you

One last time
I need to be the one that takes you home
One more time
I promise after that, I'll let you go
Baby, I don't care if you got him in your heart
All I really care is you wake up in my arms
One last time
I need to be the one that takes you home

I need you
I want you to be that one more, that one last chance
Ooh baby
One last chance, baby
Baby, I don't care if you got him in your heart
All I really care is you wake up in my arms
One last time
One last time
I need to be the one that takes you home
