

Talk To Me Nice

William Singe

You know, I remember the-the first time we met up, you know I said to you, I like, you gotta get back to doing what you love and you're always gonna face the adversities of that role just because simply you're in it and people get jealous and-or people see your success and they wanna clout off you. And it 's hard to sift through 'em, but keep the real ones around and fuck bitches, get money

If you gon talk to me
Better talk to me nice or
Don't open ya mouth like lockjaw
I don't wanna hear that shit no more
We don't play that shit
I'm downtown wit the team
Outside tryna eat, don't worry bout me
What the fuck you mean
Where the fuck I been
I been on my bullshit

Told you I'm different
N I ain't ever have try to stand out to a fool just so I could fit in
Thats word to My boy xbo, said that shit in his song and it hit me
I don't need no validation, I don't need no situations
Thats gon take me from this paper,
Told you that when we was datin
And you know I'm with the gang,
I'm with the squad
We ain't deep but we ten toes,
We don't surf but we fight tho
Smoke till we touch the sky
This that 87 North side
I ain't gotta tell you fools that I do this shit
Check the view count I bet it prove that shit
God-damn

If you gon talk to me
Better talk to me nice or
Don't open ya mouth like lockjaw
I don't wanna hear that shit no more
We don't play that shit
I'm downtown wit the team
Outside tryna eat, don't worry bout me
What the fuck you mean
Where the fuck I been
I been on my bullshit

I'm on a beach, Hennessy N weed
Look at me, by 23, had keys
To the world, Now I'll never need a thing
I don't gotta hear what you saying...
First class, Jet club
And I'm Always Jet lagged
My necklace, An I Got 2 pairs
Twin sisters... n ion even know they names
I done sold out worldwide
I been round the world twice yeah
You ain't see them long nights
You was hatin online

We just toast to the sky
It's that 87 north side
East coast, Down south, worldwide
And y'all in trouble now
King back baby

If you gon talk to me
Better talk to me nice or
Don't open ya mouth like lockjaw
I don't wanna hear that shit no more
We don't play that shit
I'm downtown wit the team
Outside tryna eat, don't worry bout me
What the fuck you mean
Where the fuck I been
I been on my bullshit

Yeah uh
Ten bands in my pocket
Ion need nothin else here but the profit
2021 tell em team that we locked in
Fuck a locksmith I'm the key to my city
Tell em that I'm up now you got have to get me
That's on fam on the 87 straight to the top
And you know we don't stop don't stop don't stop don't stop

And you know we don't stop don't stop
Yeah we up now
