

# Talking Body

William Singe

Ooh-oh

Yeah

Bed, stay in bed

The feeling of your skin locked in my head, yeah

Smoke, smoke me broke

I don't care, girl I'm down for what you want, okay

Day drunk into the night, wanna keep you here (Wanna keep you here)

Cause you dry my tears (Ooh)

Summer lovin' and fights, how it is for us

And it's all because (Okay)

Now if we're talking body

You got a perfect one

So put it on me

Swear it won't take you long

If you love me right

We fuck for life

On and on and on

Now if we're talking body (Talking body)

You got a perfect one

So put it on me

Swear it won't take you long

If you love me right

We fuck for life

On and on and on (on and on, on, on)

Now if we're talking body

You got a perfect one

So put it on me

Swear it won't take you long

If you love me

If you love me right, babe

We can fuck for, we can fuck for life, yeah
