William Singe - Never Forget You

William Singe

I used to be so happy
But without you here I feel so low
I watched you as you left but I can never seem to let you go
'Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
It's buried deep inside me but I feel there's something you should know

I'll never forget you
You'll always be by my side
From the day that I met you
I knew that I would love you 'till the day I die
And I will never want much more
And in my heart I will always be sure
I will never forget you
And you will always be by my side 'till the day I die

I'm a never forget you
Never forget you
Never forget you
Till the day I die
I'm a never forget you
Never forget you
Never forget you
Yeah

Funny how we both end up here but everything seems alright (Ohh)
I wonder what will happen, if we went back and put up a fight (Yeahh-yeah)
'Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
So what in this world do you think could ever take you off my mind

I will never forget you
You'll always be by my side
From the day that I met you
I knew I would love you 'till the day I die
Till the day I die
I'm a never forget you
Never forget you
Never forget you
Till the day I die
I'm a never forget you
Never forget you
Never forget you
Till the day I die
I'm a never forget you
Never forget you
Never forget you
Till the day I die...

Feeling it, loving it, everything that we do
And all along, I knew I had something special with you
But sometimes you just gotta know these things fall through
I'm tired, can't hide
