You got me drinkin' like I'm on vacation
It's not the right time though I'm waiting
Tell me if I'm wrong no you can't cause I don't give up
Know that you like it
Meetin' me half the way not keepin' it 100
Tell you to run you runnin'
Love when you run it back
No I can't take you down like a cop when you tell him no no no

[Chorus: William Singe & Devvon Terrell]
