

## It Don't Make Sense

Willie Dixon

(Willie Dixon)

You have made great planes to span the skies  
You gave sight to the blind with other men's eyes  
You even made submarines stay submerged for weeks  
But it don't make sense you can't make peace

You take one man's heart and make another man live  
You even go to the moon and come back thrilled  
Why you can crush any country in a matter of weeks  
But it don't make sense you can't make peace

You can make a transfusion that can save a life  
Why you can change the darkness into broad daylight  
You make the deaf man hear and the dumb man speak  
But it don't make sense you can't make peace
