

Mellow Down Easy

Willie Dixon

You jump, jump here
You jump, jump there
You jump, jump, jump everywhere

And you mellow down easy
Mellow down easy
You mellow down easy when you really want to blow your
top

Shake, shake here
You shake, shake there
You shake, shake, shake everywhere

Then you mellow down easy
Mellow down easy
You mellow down easy when your eally want to blow your
top

You weasel, weasel here
You weasel, weasel there
You weasel, weasel, weasel everywhere

Then you mellow down easy
Mellow down easy
You mellow down easy when your eally want to blow your
top
