

Dive Bar

Willie Jones

We gon' turn this club into a dive bar tonight
Yeah
Yessir
I go by the name of Willie Jones
Aye, this Ben Burgess
That's right, look

Scooting in, in the suede tops
This dude here in some Reeboks
What you mean this place ain't got no jukebox?
How the hell we supposed to dance?
Bartender from New York City
He ain't never heard of no Tennessee whiskey
First name Hill, last name Billy
Don't make me pop these pearl snaps (Pop, pop!)
Valet ain't never seen a truck like this
Need a trampoline just to jump up in
La-la-la-la-la-la, la-la-la-la-la-la
All my boys got belt buckles
Yo girl's staring at the Moose Knuckles (Damn)
And she can throw looks all she wants
I'm just trying to catch a buzz

This ain't my kind of bar, this ain't my kind of place
But we gon' order up some shooters, gonna shoot em' anyway
No neon on the wall, ain't no mechanical bull
I had to wait in line to get in, and this place ain't even full
But we so country'd up
We gon' turn this club into a dive bar tonight

La-la-la-la-la-la, la-la-la-la-la-la

Step one, two step (Step one)
Step two, walk it out (Step two)
Step three, do a shotgun (Step three)
Go crazy, have a little fun
Pocket full of cash, threw the DJ some
The boy asked, "Who is Brooks & Dunn?"

This ain't my kind of bar, this ain't my kind of place
But we gon' order up some shooters, gonna shoot em' anyway
No neon on the wall, ain't no mechanical bull
I had to wait in line to get in, and this place ain't even full
But we so country'd up
We gon' turn this club into a dive bar tonight

This ain't my kind of bar, this ain't my kind of place
But we gon' order up some shooters, gonna shoot em' anyway
No neon on the wall, ain't no mechanical bull
I had to wait in line to get in, and this place ain't even full
But we so country'd up (Yessir)
We gon' turn this club into a dive bar tonight

Night, night, night, night, night, night
Night, night, night, night, night
Valet ain't never seen a truck like this
Ain't never seen a truck like this

Need a trampoline just to jump up in
Trampoline just to jump up in
Valet ain't never seen a truck like this
Uh, never seen a truck like this
We gon' turn this club into a dive bar tonight
We gon' turn this club into a dive bar tonight

(Uh, never seen a truck like this
Uh, never seen a truck like this
Uh, never seen a truck like this
We gon' turn this club into a dive bar tonight)
