

Down For It

Willie Jones

I'm open like a book, you can read me
Just tell me what your needs be
Yeah, you know I got you
Yeah, you know I got you
Tell me what you want and I'll come through (Skrtrt skrtrt)
And I ain't ever gonna front you
Yeah, you know I got you
Yeah, you know I got you

I don't know what you're thinking about (About)
But I'm here right now (Here right now)
Hope you know I'll never let you down
I'll always be around

I'm down for it
You know you can count on it
Baby, you know I'll stick around for this, 'round for this
We can do whatever you like
'Cause I'm down for it
Tell me what you want and we can plan on it
Baby, you know I'm the man for it, stick around for this
We can do whatever you like
'Cause I'm down for it

You wanna see the world in an air balloon
Ha, I could take you to the moon
Yeah, you know I got you (Know I got you)
Yeah, you know I got you (No problem)
Champagne diamonds and a Bentley truck
Ain't got nothing on my love
Yeah, you know I got you (Know I got you)
Yeah, you know I got you

Maybe one day, we'll have to slow down
But, baby, not right now (Now)
Let me know when you're ready for vows
I'll always be around (Yeah)

I'm down for it
You know you can count on it (Come on)
Baby, you know I'll stick around for this, 'round for this
We can do whatever you like
'Cause I'm down for it
Tell me what you want and we can plan on it
Baby, you know I'm the man for it, stick around for this
We can do whatever you like

I want your body, need your body
'Long as you got me, you don't need nobody
I want your body, need your body
'Long as you got me, you don't need nobody
I want your body, need your body
'Long as you got me, you don't need nobody
I want your body, need your body
'Long as you got me, you don't need nobody

I'm down for it

You know you can count on it
Baby, you know I'll stick around for this, 'round for this
We can do whatever you like
'Cause I'm down for it
Tell me what you want here, we can plan on it
Baby, you know I'm the man for it, stick around for this
We can do whatever you like
'Cause I'm down for it

(I want your body, need your body
'Long as you got me, you don't need nobody)
'Cause I'm down for it
(I want your body, need your body
'Long as you got me, you don't need nobody)
'Cause I'm down for it
