

# Trainwreck

Willie Jones

I'm just a trainwreck ever since you left  
Girl, you were the best thing I've ever had  
And now I'm jaded, falling off the tracks  
'Cause I can't get you back (Yeah, yeah)

I keep shuttin' down every honky tonk  
Since you took my love and you did me wrong  
Why'd you have to go and leave me here?  
Got me feelin' low, I'm drowning in my tears

I keep goin' back to your Instagram  
You're already home with another man  
Girl, you crushed my heart, like a beer can  
Now I'm crashin' hard, and I can hardly stand

I'm just a trainwreck, ever since you left  
Girl, you were the best thing I've ever had  
And now I'm jaded, falling off the tracks  
'Cause I can't get you back (Yeah, yeah)  
Girl, I'm just a trainwreck  
Girl, I'm just a trainwreck

Didn't I love you good enough?  
Got a head full of memories messing up  
Every new thing that comes along  
I'm just a ninety-proof barstool country song

Why?  
Baby, why?  
I could have loved you girl till the end of time  
And now I'm hurtin', it's like I'm burnin'  
Like I flew into a wall at a hundred miles

I'm just a trainwreck, ever since you left  
Girl, you were the best thing I've ever had  
And now I'm jaded, falling off the tracks  
'Cause I can't get you back (Yeah, yeah)  
Girl, I'm just a trainwreck  
Girl, I'm just a trainwreck

Why?  
Baby, why?  
I could have loved you girl, to the end of time  
And now I'm hurting, it's like I'm burning  
Like I flew into a wall at a hundred miles

I'm just a trainwreck, ever since you left
