

Your Man

Willie Jones

Baby, lock the door and turn them lights down low
Put some music on that's soft and slow
Baby, we ain't got no place to go
I hope you understand

I've been thinkin' 'bout this all day long
Never felt a feeling quite this strong
I can't believe how much it turns me on
Just to be your man

There's no hurry
Don't you worry
We can take our time
Come a little closer
Let's go over what I had in mind

Baby, lock the door and turn them lights down low
Baby, lock the door
And put some music on that's soft and slow
And baby, we ain't got no place to go
Nowhere to go
I hope you understand

I've been thinkin' 'bout this all day long
I've been thinkin' 'bout it
I never felt a feeling quite this strong
I never felt a feeling
I can't believe how much it turns me on
How much it turns me on
Just to be your man

Ain't nobody ever love nobody
The way that I love you
We're alone now
You don't know how long I've wanted to

Baby, lock the door and turn them lights down low
Put some music on that's soft and slow
Soft and slow
Baby, we ain't got no place to go
Place to go
I hope you understand

I've been thinkin' 'bout this all day long
Never felt a feeling that was quite this strong
I can't believe how much it turns me on
On to be your man
I can't believe how much it turns me on
Just to be your man

Yeah
Whoa, whoa, whoa
I want to be your man
Baby, let me be your man
I want
I want to be your man
Ba-baby, be your man

Baby, lock the doors and turn the-
I want to be your man
Baby, let me be your man
Girl, I wanna be
I want to be your man
Baby, let me be your man

I can't believe how much it turns me on
Just to be your man
