

## A Foggy Day

Willie Nelson

A foggy day in London town  
Well it had me low, and it had me down  
I viewed the morning with much alarm  
And the British Museum had somehow lost its charm

How long, I wondered, could this thing last?  
But the age of miracles, well it hadn't passed  
For suddenly, I saw you there  
And in foggy London town the sun was shining  
Everywhere
