

Angel Flying Too Close to the Ground

Willie Nelson

A **C#mi**
If you had not have fallen
D **A**
Then I would not have found you
D **E** **A** **E**
Angel flying too close to the ground

A **C#mi**
And I patched up your broken wings
D **A**
And hung around for a while
H7
Trying to keep your spirits up
E
And your fever down

A **C#mi** **D**
And I knew someday that you would fly away
H7 **E**
For love's the greatest healer to be found

A **A7**
So leave me if you need to
D **Esdim**
I will still remember
A **E** **A**
Angel flying too close to the ground

A **C#mi** **D**
Fly on, fly on past the speed of sound
H7 **E**
I'd rather see you up, than see you down

A **A7**
So leave me if you need to
D **Esdim**
I will still remember
A **E** **A**
Angel flying too close to the ground

A **A7**
So leave me if you need to
D **Esdim**
I will still remember
A **E** **D** **A**
Angel flying too close to the ground
