

## Do You Realize??

Willie Nelson

Do you realize  
That you have the most beautiful face?  
Do you realize  
We're floating in space?  
Do you realize  
That happiness makes you cry?  
Do you realize  
Everyone you know someday will die?

Instead of saying all of your goodbyes  
Let them know you realize that life goes fast  
It's hard to make the good things last  
And you realize the sun doesn't go down  
It's just an illusion caused by the world  
Spinning 'round

Do you realize  
Do you realize  
That everyone you know someday will die?

Instead of saying all of your goodbyes  
Let them know you realize that life goes fast  
It's hard to make the good things last  
And you realize the sun doesn't go down  
It's just an illusion caused by the world  
Spinning 'round

Do you realize  
That you have the most beautiful face?  
Do you realize?
