Don't Tell Noah

Willie Nelson

Don't tell Noah about the flood
And don't tell Jesus about the blood
Don't tell me that I've lost my mind
'Cause I been crazy all the time

Don't tell the singer you like his song
Then tell him you think he's playin' it wrong
Don't tell me that I've lost my mind
'Cause I been crazy all the time

Don't quit tryin' to change the government
And make them see how wrong they went
Don't say I ain't got a weird mind
'Cause I been crazy all the time

Don't tell me I told you wrong
It goes like this 'cause I wrote the song
We're wastin' time no mater what we say
You gotta lead or follow or get outta the way

Don't tell Noah
And don't tell Jesus
Don't tell the singer
Don't tell the guitar player

Don't tell Noah about the flood
And don't tell Jesus about the blood
Don't tell me that I've lost my mind
'Cause I been crazy all the time
I been crazy all the time
