

## Driving The Herd

Willie Nelson

I know my part  
I'll bring up the rear  
I'll eat the dust  
You know, I don't care  
That's what I do  
I'll get them through  
I'm driving the herd

I sing them to sleep  
I sing them awake  
They like my songs  
I give and I take  
I know my part  
I play for love and heart

I'm driving the herd  
Maybe I'm following  
They'll let me know  
If I'm doing it right  
They'll sing-a-long with me every night  
That's how I know  
That they're liking the show  
Well, I'm driving the herd  
Or maybe they're driving me?

I'm driving the herd  
Maybe I'm following  
They'll let me know  
If I'm doing it right  
They'll sing-a-long with me every night  
That's how I know  
That they're liking the show  
Well, I'm driving the herd  
Or maybe they're driving me?
