

Forever And Ever Amen

Willie Nelson

You may think that I'm talking foolish
You heard that I'm wild and I'm free
You may wonder how, I can promise you now
This love that I feel for you, always will be

Your not just time that I'm killing
I'm no longer one of those guys
As sure as I live, this love that I give
Is gonna be yours until the day that I die

I'm gonna love you forever
Forever and ever, Amen
As long as ol' man sit and talk about the weather
As long as ol' woman sit and talk about ol' man

If you wonder how long I'll be faithful
I be happy to tell you again
I'm gonna love you forever and ever
Forever and ever, Amen

They say, time take touch on your body
Make the young girl with brown hair turn gray
Well, honey I don't care, I ain't in love with your hair
And if it all fell out, I'd love you anywhere

They say, time can play tricks on your memory
Make people forget things they knew
Well it's easy to see, it is happening to me
I've already forgotten, every woman but you

I'm gonna love you forever
Forever and ever, Amen
As long as ol' man sit and talk about the weather
As long as ol' woman sit and talk about ol' man

If you wonder how long I'll be faithful
Just listen to how this song end
I'm gonna love you forever and ever
Forever and ever, Amen

I'm gonna love you forever and ever
Forever and ever
Forever and ever
Forever and ever, Amen
