Heartaches by the Number

Willie Nelson

Heartache number one was when you left me I never knew that I could hurt this way And heartache number two was when you came back again You came back and never meant to stay

Now I've got heartaches by the number, troubles by the score Every day you love me less Each day I love you more

Yes, I've got heartaches by the number, a love that I can't win But the day that I'll stop counting That's the day my world would end

Heartache number three was when you called me And said that you were coming back to stay With hopeful heart I waited for your knock on the door I waited, but you must have lost your way

Now I've got heartaches by the number And the day that I'll stop counting That's the day my world will end
