

# I Got Rhythm

Willie Nelson

I got rhythm, I got music, and I got my girl  
Who could ask for anything more?  
And I got daisies in green pastures, and I got my girl  
Who could ask for anything more?

Ol' Man Trouble, I don't mind him  
But you won't find him around my door  
And I got starlight, I got sweet dreams, and I got my girl  
Who could ask for anything more?

I got rhythm, I got music, and I got my girl  
Who could ask for anything more?  
And I got daisies in green pastures, and I got my girl  
Who could ask for anything more?

Ol' Man Trouble, I don't mind him  
But you won't find him around my door  
And I got starlight, I got sweet dreams, and I got my girl  
Who could ask for anything more?  
Who could ask for anything more?
