

# I Love You Because

Willie Nelson

I love you because you understand dear every single thing I try  
to do  
And you're always there to lend a halping hand dear  
But most of all I love you cause you're you  
No matter what the world may say about me  
I know your love will always see me through  
I love you for the way you never doubt me but most of all I lov  
e you cause you're you

I love you because my heart is lighter every time I'm walking b  
y your side  
And I love you because the future's brighter the door to happin  
ess you opened wide  
No matter what may be the style or season  
I know your love will always see me through  
I love you for a hundred thousand reasons  
But most of all I love you cause you're you
