I'm Beginning to See the Light

Willie Nelson

I never cared much for moonlit skies
I never winked back at fireflies
Now that the stars are in your eyes
I'm beginning to see the light

I never went in for afterglow
Or candlelight on the mistletoe
But now when you turn the lamp down low
I'm beginning to see the light

I used to ramble through the park
Shadow boxing in the dark
Then you came and caused the spark
That's a four-alarm fire, now

I never made love by lantern shine
I never saw rainbows in my wine
But now that your lips are burning mine
I'm beginning to see the light

I never cared much for moonlit skies
I never winked back at fireflies
Now that the stars are in your eyes
I'm beginning to see the light

I never went in for afterglow
Or candlelight on the mistletoe
But now when you turn the lamp down low
I'm beginning to see the light

I used to ramble through the park
Shadow boxing in the dark
Then you came and caused the spark
That's a four-alarm fire, now

I never made love by lantern shine
I never saw rainbows in my wine
But now that your lips are burning mine
I'm beginning to see the light
