

## I'm So Lonesome I Could Cry

Willie Nelson

Hear that lonesome whippoorwill  
He sounds too blue to fly  
That means he's lost the will to live  
I'm so lonesome I could cry  
Did you ever see a night so slow  
As time goes draggin' by  
The moon just went behind the clouds  
To hide its face and cry  
The silence of a falling star  
Lights up a purple sky  
And as I wonder where you are  
I'm so lonesome I could cry  
I'm so lonesome I could cry  
I'm so lonesome I could cry
