

# It Makes No Difference Now

Willie Nelson

Makes no difference now what kind of life fate hands me  
I'll get along without you now that's plain to see  
I don't care what happens next 'cause I'll get by somehow  
I don't worry 'cause It Makes no difference now

It was just a year ago when I first met you  
I learned to love you and I thought you'd love me too  
But now that's all in the past and I'll forget somehow  
I don't worry 'cause It Makes No Difference Now

Now that we have really parted I can't believe we're thru  
I don't blame myself and I'm sure I can't blame you  
There was something had to happen and it happened somehow  
I don't worry 'cause It Makes No Difference Now

After all is said and done I'll soon forget you  
Altho' I know that it will be so hard to do  
Let things happen as they will and I'll get by somehow  
I don't worry 'cause It Makes No Difference Now
