

Just In Time

Willie Nelson

Just in time
I found you just in time
Before you came, my time
Was runnin' low

I was lost
The losing dice were tossed
My bridges all were crossed
Nowhere to go

Now you're here
And now I know just where I'm going
No more doubt or fear
I found my way

For love came just in time
You found me just in time
And changed my lonely life
That lovely day

Now you're here
And now I know just where I'm going
Never a doubt or fear
I found my way

For love came just in time
You found me just in time
And changed my lonely life
That lovely day

You've changed my life
That lovely day
