

# Last Man Standing

Willie Nelson

I don't wanna be the last man standing  
Or wait a minute maybe I do  
If you don't mind I'll start a new line  
And decide after thinking it through  
Go on in front if you're in such a hurry  
Like heaven ain't waiting for you  
I don't wanna be the last man standing  
On second thought maybe I do

It's getting hard to watch my pals check out  
Cuts like a wore out knife  
One thing I learned about running the road  
Is forever don't apply to life  
Waylon and Ray and Merle and old Harlan  
Lived just as fast as me  
I still got a lotta good friends left  
And I wonder who the next will be

I don't wanna be the last man standing  
Or wait a minute maybe I do  
If you don't mind I'll start a new line  
And decide after thinking it through  
Go on in front if you're in such a hurry  
Like heaven ain't waiting for you  
I don't wanna be the last man standing  
On second thought maybe I do

Maybe we'll all meet again  
On the other side  
We'll pick and sing  
Load up the buses and ride

I don't wanna be the last man standing  
Or wait a minute maybe I do  
And if you don't mind I'll start a new line  
And decide after thinking it through  
Go on in front if you're in such a hurry  
'Cause hell is a-waiting there too  
I don't wanna be the last man standing  
On second thought maybe I do  
Yeah maybe I do  
Yeah maybe I do  
Yeah maybe I do
