

## Lost Cause

Willie Nelson

Your sorry eyes, they cut through the bone  
Making it hard to leave you alone  
Leaving you here wearing your wounds  
Waving your guns at somebody new

Baby, you're lost  
Baby, you're lost  
Baby, you're a lost cause

Too many people that you used to know  
They see you coming, and they see you go  
They know your secrets, and you know theirs  
This town is crazy, but nobody cares

Baby, you're lost  
Baby, you're lost  
Baby, you're a lost cause

Tired of fightin'  
I'm tired of fightin'  
Fightin' for a lost cause

There's a place where you are goin'  
You ain't never been before  
There's no one laughing at your back now  
No one standing at your door  
Is that what you thought love was for?

Baby, you're lost  
Baby, you're lost  
Baby, you're a lost cause

I'm tired of fightin'  
I'm tired of fightin'  
Fightin' for a lost cause
