

More And More

Willie Nelson

More and more
I'm forgetting the past
More and more I'm livin' at last
Day by day I'm losin' my blues
More and more I'm forgettin' 'bout you

You know how I tried to keep you by my side
And oh how I cried when you said "goodbye"
Day by day I'm losin' my blues
More and more I'm forgettin' 'bout you

But oh how I tried to keep you by my side
And oh how I cried when you said goodbye
Day by day I'm losin' my blues
More and more I'm forgettin' 'bout you

Day by day I'm losin' my blues
More and more I'm forgettin' 'bout you
