Rainin' In My Heart

Willie Nelson

```
Rainin' in my heart
Since we've been apart
I know, I was wrong
Baby, please come home
You got me cryin'
'Bout to lose my mind
Don't let me cry in vain
Try my love just once again
Honey, I need your love
Darlin', you know why
If you would come back home
There'll be no need for me to cry
Rainin' in my heart
Since we've been apart
I know, I was wrong
Baby, please come home
```
