

## Second Fiddle

Willie Nelson

You asked me if I'd care  
If you danced with Joe  
I said yes it's all right  
But my heart whispered no  
For inside I was crying  
For last night it was Jim  
Must I play second fiddle  
While you're dancing with them  
Could it be maybe  
I'm just imagining things  
Do I believe I'm second with you  
Only you know the answer  
Is it me or Joe or Jim  
Must I play second fiddle  
While you're dancing with them

Only you know the answer...
