The mirror's gonna tell her how long she's been gone

Down at the corner beer joint dancin' on the rock'n roll

Sister likes to do it Lord sister likes to move her soul

Down at the corner beer joint dancin' on a hardwood floor

Her jeans fit a little bit tighter than they did before

Than they did before than they did before

Lord her jeans fit a little bit tighter than they did before

Than they did before than they did before

Lord her jeans fit a little bit tighter than they did before

Down at corner beer joint dancing to the rock'n roll

Sister likes to do it Lord sister likes to move her soul

Down at corner beer joint dancing on the hardwood floor

Her jeans fit a little bit tighter than they did before

Than they did before than they did before

LWell her jeans fit a little bit tighter than they did before

She likes to move her soul she likes to move her soul

Sister likes to do it Lord sister likes to move her soul
