

Suffer In Silence

Willie Nelson

I think I should speak to you stranger your problem is clear no
w to me
You think that the whole world's against you and tell everyone
that you see
Just suffer in silence speak no bitter words the world offers n
o sympathy
Though trouble surrounds you and you long to be heard just suff
er in silence like me

I'll give you a lesson in living I hope it stays with you awhile
e
You're the reason for all of your sorrows so just suffer in sil
ence and smile
Suffer in silence speak...
