

## Summer Wind

Willie Nelson

The summer wind came blowin' in from across the sea  
It lingered there to touch your hair and walk with me  
All summer long we sang a song and then we strolled that golden  
sand  
Two sweethearts and that summer wind

Like painted kites, those days and nights, they went flyin' by  
The world was new beneath a blue umbrella sky  
Then softer than a piper man, one day it called to you  
Well I lost you, I lost you to that summer wind

Now the autumn wind and the winter winds, they have come and go  
ne  
Still the days, the lonely days go on and on  
And guess who sighs his lullabies through nights that never end  
?  
My fickle friend, that summer wind  
Oh the summer wind  
The warm, warm summer wind
