

There Stands The Glass

Willie Nelson

There stands the glass
That will ease all my pain
That will settle my brain
It's my first one today

There stands the glass
That will hide all my fears
That will drown all my tears
Brother I'm on my way

I'm wondering where you are tonight
I'm wondering if you are all right
I wonder if you think of me
In my misery

There stands the glass
Fill it up to the brim
Until my troubles grow dim
It's my first one today

~~~~~♪~~~~~

I'm wondering where you are tonight  
I'm wondering if you are all right  
I wonder if you think of me  
In my misery

There stands the glass  
Fill it up to the brim  
Until my troubles grow dim  
It's my first one today
