## We Don't Run

## Willie Nelson

We don't run, we don't compromise
We don't quit, we never do
We look for love, we find it in the eyes
The eyes of me and the eyes of you

You are the road, you are the only way I'll follow you forever more We'll look for love, we'll find it in the eyes The eyes that see through all the doors

There is a train that races through the night On rails of steel that reach the soul Fueled by fire as soft as candle light But it warms the heart of a love grown cold

And we don't run and we don't compromise We don't quit, we never do We look for love, we find it in the eyes The eyes of me and the eyes of you

Words that feel, words that sympathize Words that heal and understand Say them now, let them materialize Say the words throughout the land

We don't run, we don't compromise
We don't quit, we never do
We look for love, find it in the eyes
The eyes of me and the eyes of you

And we don't run and we don't compromise We don't quit, we never do We look for love, we find it in the eyes The eyes of me and the eyes of you
