

What If I'm Out Of My Mind

Willie Nelson

I found the girl of my dreams
She tells me she's mine forever
Now I know what love really means
And life couldn't be any better

But what if I'm out of my mind?
What if I'm all the way crazy?
What if I'm lost in some other time?
What if I'm out of my mind?

Am I crazy? Well, maybe I am
But she loves me anyway
And as long as I'm not out of her mind
I think I'll be fine

What if I'm out of my mind?
What if I'm all the way crazy?
What if I'm lost and it's some other time?
What if I'm out of my mind?

Am I crazy? Well, maybe I am
But she loves me anyway
And as long as I'm not out of her mind
I think I'll be fine

But what if I'm out of my mind?
What if I'm all the way crazy?
What if I'm lost and it's some other time?
What if I'm out of my mind?

What if I'm lost and it's some other time?
What if I'm out of my mind?
