

# Who Put All My Ex's in Texas

Willie Nelson

Who put my Alice in Dallas?  
Who put my Ann in San Antone?  
Who took my gal down in Galveston?  
She never ever came back home

Texas, I don't know what you've got  
But whatever it is, you sure have got a lot  
Who put all my exes in Texas?  
Who took all my gals away from me?

One had a beau down in Beaumont  
Another fell in Wichita Falls  
I lost my Abby down in Abilene  
Now she never even calls

Texas, I don't know what you've got  
But whatever it is, you sure have got a lot  
Who put all my exes in Texas?  
Who took my gals away from me?

Who made the pass in El Paso?  
That's where I lost one or two  
Who put amour in Amarillo  
In Houston, Fort Worth, and Corpus Christi too?

Texas, I don't know what you've got  
But whatever it is, you sure have got a lot  
Who put all my exes in Texas?  
Who took all my gals away from me?  
Who took all my gals away from me?
