

Homewrecker

Willow Avalon

I ain't no home wrecker
Didn't know better
He only gave me his side of the truth
I ain't no heart breaker
No, I didn't know her
Thought it was only him under that roof

And if those walls could talk
I wish they'd tipped me off
But the writing wasn't there
And he wasn't what I thought

I'm just a girl
Who tried to take a man for his word, and
I can't believe
All the pictures I wish I didn't see

I ain't no home wrecker
But it made a wreck out of me

I ain't no fixer-upper
He can find another
Lady to fulfill his two-time fantasies
I guess his eyes are brown
'Cause he's so full of shit
And I'll start raisin' hell if he doesn't fucking quit

I'm just a girl
Who tried to take a man for his word, and
I can't believe
All the pictures I wish I didn't see

I ain't no home wrecker
But it made a wreck out of me

I know my worth
And it's not a man who gets more than he deserves, and
I let him keep
All his little secrets, but he can't keep me

I'm just a girl
Who tried to take a man for his word, and
I can't believe
All the pictures I wish I didn't see

I ain't no home wrecker
I ain't no home wrecker
I ain't no home wrecker
I ain't no home wrecker

I ain't no home wrecker
But it made a wreck out of me
