

Tequila Or Whiskey

Willow Avalon

And I broke up with the only man I ever loved
Told him we were done said we were through
And I choke up
When I think about how in love
We were in the summer of '22

Tequila or whiskey, whatever gets me through
All the late night thinking about me and you
Tequila or whiskey, whatever gets me through
All the late night thinking about me and you

Me and you
Me and you
Me and you
Me and you

Kicking up dust
Down the highway in your truck
Flying fast to try and catch the Marfa lights
And that's where I let you steal my heart
Right man, baby, at the wrong time
Time

Tequila or whiskey, whatever gets me through
All the late night thinking about me and you
Tequila or whiskey, whatever gets me through
All the late night thinking about me and you

Me and you
Me and you
Me and you
Me and you

And I broke up with the only man I ever loved
Told him we were done, said we were through
