

## The Actor

Willow Avalon

He was the picture perfect man of my dreams  
He was a shotgun locked and loaded on me  
He was a blue eyed blonde haired sweet talkin' snake  
Oh lovin' him was my greatest mistake

'Cause I was a fool and he was an actor  
I never knew it wasn't my heart he was after  
Criminally cool then sorry actor  
I never knew it wasn't my heart he was after  
My love the actor

He was a walking talking [?] of regret  
He'd wake me up with coffee, flowers in bed  
But when he finally started dropping the act  
I saw the real him and boy it was bad

'Cause I was a fool and he was an actor  
I never knew it wasn't my heart he was after  
Criminally cool then sorry actor  
I never knew it wasn't my heart he was after  
My love the actor  
My love the actor  
My love the actor

'Cause I was a fool and he was an actor  
I never knew it wasn't my heart he was after  
Criminally cool then sorry actor  
I never knew it wasn't my heart he was after  
My love the actor  
My love the actor  
My love the actor  
My love the actor  
My love the actor
