

ancient girl

Willow

Whisper softly the story of that ancient girl
Entranced with the elders in their caves
Drink sacrament, overflowing telling secrets
In the dark lies a story of that ancient

Girl, girl
Girl, uh-huh
Girl, girl
Girl, uh-huh

Whisper softly the story of that ancient girl
Who worshiped the forest with no name
Drink sacrament, overflowing endless reasons
To remember the story of that ancient

Girl, ah-ah-ah-ah
Girl, uh-huh
Girl, ah-ah-ah-ah
Girl, uh-huh
