

And Contentment

Willow

Happiness and contentment
Come from zero comparison
One-hundred percent, personal experience

Life gets so wild and so
Free and auras channel through me
Source energy
Ooh baby girl
Your heart is like a tree
Damn baby girl
You gotta shed your leaves
My sword is up
And my heart is down
But you would never know
My heart is broken
Don't make a sound
That's why you never know
Baby girl
There's so much love in your eyes
So baby girl
Don't let em' turn it into ice

Happiness and contentment
Come from zero comparison
One-hundred percent, personal experience

I'm just a caterpillar in its cocoon
Waiting to see the world again
And when I wake from eternal sleep
I see the sun and I don't cry, I weep
'Cause I am turning, turning
Inside my skin
I'm learning, learning how to give in
I'm burning, burning all my old beliefs
And using the flames to make a new me
To be
