

## between i and she

Willow

I'm ready  
One, two

Sometimes I don't wanna try  
To calm the chaos inside  
And I just let out a sigh, I just sigh  
Don't know why, but it feels right  
Flowing free like the sea  
I can just sit here and be  
And only listen to me, it's just me  
In this moment of the purest devotion

Shutting off my mind, feel there is no time  
When I arrive right here  
Everything is here, no need to try  
Palms to the earth because I feel her breathe  
Syncing to a rhythm between I and she  
It's the perfect design

Don't ask questions  
When life's expressing  
Itself through you and speaking the truth  
I said don't ask questions (don't ask why)

Sometimes I don't wanna try  
To calm the chaos inside  
And I just let out a sigh, I just sigh  
Don't know why, but it feels right  
Flowing free like the sea  
I can just sit here and be  
And only listen to me, it's just me  
In this moment of the purest devotion

Shutting off my mind, feel there is no time  
When I arrive right here  
Everything is here, no need to try  
Palms to the earth because I feel her breathe  
Syncing to a rhythm between I and she  
It's the perfect design
