

# ¡BREAKOUT!

Willow

I don't fucking care what you thought of  
I can give life to the slaughtered  
I can set fire to the water  
I can change the world, I'll heal my mind  
Niggas talk shit 'cause they know I just do  
Whatever I want, I don't need to ask you  
I don't even need to play, yeah, you know it's true

I don't wanna be chained down, chained down  
In my mind  
I gotta break out, break out  
In time  
I gotta change now, change now  
I gotta break out

No one woman should have all that power  
Hate people I just talk to flowers  
Ain't none, I just kill the hours  
Ain't none to me, I'm unbothered  
Now everybody wanna tell me where I've been  
Old me sitting on a pedestal within  
Told me I would never get it but I did  
Fooled me once, I ain't seen that nigga since  
I don't need to explain how I live  
I told you once, I said it is what it is  
You get what you give and I give my life

I don't wanna be chained down, chained down  
In my mind  
I gotta break out, break out  
In time  
I gotta change now, change now  
I gotta break out

Don't wanna tell you twice, I have to go off on my own  
Think I just wanted some light, guess I pulled you along  
I'm running out of this hole, making it up as I go  
Pull my boots up tight, I'm breaking out on my own

I don't wanna be chained down, chained down  
In my mind  
I gotta break out, break out  
In time  
I gotta change now, change now  
I gotta break out
