

don't SAVE ME

Willow

I don't really think that I can do it all alone
But I tell them, "Don't save me"
I was gonna leave, I was off it
But I don't really think that that's an option now
Gotta fight my own battles to get stronger
I just say, "Don't save me"

I don't really think that I can do it all alone
But I tell them, "Don't save me"
I was gonna leave, I was off it
But I don't really think that that's an option now
Gotta fight my own battles to get stronger
I just say, "Don't save me"

Don't save me
Don't save me

I don't really think that I can do it all alone
Don't save me
Don't save me
